LA10T – Rewards & EcoCoin Terms and Conditions

These Terms & Conditions govern the access to and use of the LA10T platform ("LA10T", pronounced "Latent"), including its mobile application, website, dashboards, analytics tools, and related services (collectively, the "Platform").

For the purposes of this Agreement, "LA10T", "we", "us", and "our" refer to the operator of the Platform.

By accessing or using the Platform, you agree to be bound by these Terms & Conditions, Platform Terms & Conditions together with the Privacy Policy and Disclaimer.

- **Definitions**

"EcoCoin" means a non-financial digital utility unit issued by LA10T for use solely within the LA10T platform to recognise verified sustainability participation.

"Verified Action" means a user action validated through LA10T's systems, partners or governance rules, including but not limited to learning interactions, sustainability choices or community activities.

- **Nature of EcoCoin**
    - EcoCoin is a non-financial, non-monetary digital utility.
    - EcoCoin does not constitute money, electronic money, digital payment tokens, securities, derivatives, investment contracts, carbon credits or any regulated financial instrument.
    - EcoCoin is issued exclusively for platform engagement, recognition and utility purposes.

- **No Monetary Value or Financial Rights**
    - EcoCoin has no cash value.
    - EcoCoin is not redeemable for fiat currency, cryptocurrency or any form of monetary consideration.
    - EcoCoin does not confer ownership rights, profit participation, dividends, yield, interest or appreciation.
    - EcoCoin is non-transferable outside the LA10T platform and may not be sold, traded, assigned or exchanged.

- **Issuance of EcoCoin**
    - EcoCoins may be issued only upon completion of Verified Actions, as determined by LA10T.
    - Issuance of EcoCoins is discretionary, non-guaranteed, and non-continuous.
    - LA10T reserves the right to modify, suspend, limit, or discontinue EcoCoin issuance at any time without prior notice.

- **Permitted Use of EcoCoin**
    - EcoCoins may only be used within the LA10T platform for purposes including:
        - unlocking platform features, insights or content
        - participating in sustainability programs, challenges or campaigns
        - redeeming platform-approved products, services or benefits.
    - All uses of EcoCoins are consumptive in nature.
    - Upon redemption or use, EcoCoins may be burned, retired or otherwise permanently removed from circulation.
    - Token Retirement
        - Upon validated redemption, EcoCoin is permanently retired from the system ledger and extinguished.
        - Redemption does not create any monetary liability, reimbursement obligation or financial settlement between LA10T and any Partner.

- **No Property or Ownership Rights**

EcoCoin does not constitute property, digital asset ownership or transferable asset rights.

EcoCoin confers no claim against LA10T beyond Platform-based recognition within defined system boundaries.

- **No Investment or Profit Expectation**

- Participation in LA10T does not constitute an investment.
    - Users acknowledge that there is no expectation of profit, return or future value associated with EcoCoin.
    - Past issuance or usage of EcoCoins does not imply future availability or entitlement.

- **Environmental Impact Representations**
    - Environmental metrics displayed on the platform (including carbon, water or waste indicators) are indicative and educational in nature.
    - EcoCoins do not represent certified carbon offsets, emissions allowances or tradable environmental credits.
    - Any formal carbon credit or offset programs, if offered, shall be governed under separate regulated frameworks and agreements.

- **Blockchain & Ledger Use**
    - Blockchain technology is used solely for data integrity, transparency, auditability and anti-manipulation purposes.
    - Ledger records do not create financial rights, claims or entitlements of any kind.

- **Governance & Amendments**
    - LA10T retains full governance authority over EcoCoin rules, issuance logic, usage conditions and platform mechanics.
    - These terms may be amended to ensure regulatory compliance, operational integrity or platform sustainability.

- **Acknowledgement**

By using the LA10T platform, users acknowledge and agree that EcoCoin is a non-financial digital utility issued solely for participation recognition and platform use and not for monetary or investment purposes.

One Line Legal Summary
EcoCoin is a non-financial digital utility used within LA10T to recognise verified sustainability participation and enable platform access, without monetary value or investment intent.
